

Baby Tips for New Moms Breastfeeding

The sixth book in our bestselling Baby Tips TM series, Breastfeeding will inspire, reassure, relax and uplift new mothers as they give their babies one of the most important gifts they can give -- their own special breast milk. Written with humor and experience, the tips in this beautiful small book will be appreciated by new mothers, whether its their first or third child. Breastfeeding is a vital step mothers can take to make their babies safer, healthier and happier throughout their lives. Support, advice, laughter and love can go a long way to help nursing mothers keep their confidence when they have questions or feel alone during this time. Karen Salt, breastfeeding and birth counselor, author and mother of three (including twins), shares her wisdom and innermost thoughts with mothers as they in turn give this gift of love, energy and themselves to their children.
