

# Creative Conflict Management

Conflict is inevitable on any project but is it unpredictable? How you anticipate and deal with it will make the difference in terms of project, product and team success.

This recording focuses on creatively managing conflict in today's complex and stressful project environment. You will:

- Learn the different conflict management styles
- Self assess their style and how to adapt style depending on the situation
- Understand the various sources of conflict during the life of a project
- Develop proactive tactics to manage the inevitable conflict that will occur during a project

Author royalties from this presentation will be donated to the Canadian Womens Foundation (CWF)
