

# Teach Yourself Flirting (Teach Yourself - General)

teach yourself Flirting is your complete handbook for social success at every level. Whether you are young or old, a first time singleton or reentering the fray, male or female, it uses proven psychological strategies and NLP techniques to help you communicate effectively, enjoyably, to make friends and hopefully form longer-term relationships. The only book to be authored by a male life-coach and flirt doctor, the book will also give a unique perspective from the male point of view. It will be the only title to explain how flirting at work can help enhance and progress your career, will be full of practical exercises, tips, hints and case studies, and be accompanied by a CD to help you get to grips with the practicalities of flirting at every level.
