

How to Become a Professional Speaker (Professional Speaking Book 1)

How to Become a Professional Speaker leaves nothing out when it comes to the business of speaking! Look at all you will learn: How to get hired by the people that pay . . . too many people waste time and drop out because they don't know where to find the money that's spent on speakers every single day. Why speakers bureaus probably want nothing to do with you. . . again it's not your fault. It's just the nature of the beast and this understanding will save you lots of wasted time and effort. How to sell your presentation to meeting planners . . . they're busy and the more you help them out, the more likely you are to get the job. How creating information products can make you way more money than speaking fees . . . Speak and create products and you can pretty much write your own ticket. How to package yourself . . . you'll have the best possible materials to promote yourself with the least cash outlay. Setting your speaking fees to maximize your income . . . too cheap will kill your reputation and too expensive means bragging rights, but no work. Get more bookings and get them easier than ever before . . . the secrets you learn will give you an almost unfair advantage over your competitors.
