

Brilliant Presentation: What the Best Presenters Know, Say and Do

Communication and presentation is crucial in all areas of business and a key factor in whether we succeed or not. In today's business world, we all have to present at some point or another, regardless of how much we enjoy doing it. Being great at our jobs is no longer good enough; unless you can communicate with power and clarity you simply won't progress. If you're part of the majority who do not feel comfortable presenting then worry no more. Brilliant Presentations is quite simply the best mass market presentation book there is, and by following its Brilliant Five Point Check List, you can become brilliant in a world of increasingly competent presenters. Full of secrets and tips from the most accomplished and experienced presenters, this book talks you through all stages of your presentation, and integrates both content and personal presentation coaching. There is pragmatic advice for those in need of a desperate quick fix, and a presentation diary to mark your progress from a novice presenter to a brilliant one! Written in Hall's highly engaging and compelling style, and supported by practical exercises, he ensures you have all the know-how you need to deliver a successful visual presentation. Why be an average presenter when you could be brilliant?
