

Special Education Law

Special Education Law, Fifth Edition provides a comprehensive, and student-friendly overview of the major federal laws and judicial interpretations of those laws that apply to the education of children with special needs. Laura Rothstein and Scott F. Johnson thoroughly present the most up-to-date information on special education statutes, regulations, and judicial interpretations, including substantial changes in the interpretation of the legislation. The text helps students understand what the law requires so that they can develop policies and make decisions that comply with these laws.
