

## 39 (Memoirs of Amanda Green Book 2)

After recovering from mental illness and many other adversities, Amanda Green published her true story (*My Alien Self: My Journey Back to Me* on kindle). This is the journal of her life during the year following publication. Dysfunctional and ever more inspiring, this memoir will take you into a whirlwind of love, humour, emotion, depression, adventures, music, animals, family health and relationships, as she strives to stay strong and achieve a life really worth living as a childless woman before her fast approaching 40th birthday.

Due to flashbacks of dark scenes and sexual abuse, this memoir is for adults only and although its a sequel, it can easily be read alone.
