

# Financial Planning on Your Own: The simple way to gain control of your money and financial independence

So, you want to get your goals on track, get your finances in order, save and invest (without losing too much sleep), keep track of your goals and progress and know more about your options out there without dealing with your average go-getter, commission-based financial advisor? Well, you bought the right book. Being that the main problem is lack of information. Knowledge empowers you to make a decision without doubting yourself. Remember that there is no right or wrong decision, just the consequences of them. This process will help you know the options and their consequences so you can act accordingly, in order to accomplish your personal goals. By no means have I disregarded the advantages of advice and consulting, successful people often spend good amount of time and money getting advice from others. However, at certain stages of your life all you need a good foundation of information that will allow you to get further at a safe pace and come out in better shape than the current average person. This book will give you that. This book will provide you the tools so you can lay down the basic foundation blocks to build your future on. It will also show you the steps to follow so you can complete those goals and dreams with the least amount of bumps. I will not lie to you, it will take time, discipline and yes, some sacrifices on your behalf; but at the end progress will be measurable, clear and rewarding.
